School/District	DLeNM
Email	evelyn@dlenm.org
Grade Level	4th-5 th
Content Area	Math
Topic/unit/core selection	Fractions
Chant Title and Author	Fractions Cadence by Evelyn Chávez

I don't know, what we've been told,
Learning fractions is our goal.
Add, subtract, multiply, and divide
Fractions are fun; I'll show you why.

Sound Off: Let's learn fractions
Sound Off: Let's learn fractions
Sound Off: 1-2-3-4 Fractions

To add or subtract any fraction,
Denominators must be the same.
One-half plus one-fourth can be done with ease
Finding equal fractions is the key.

Sound Off: Let's add fractions
Sound Off: Let's subtract fractions
Sound Off: 1-2-3-4 Fractions

Fractions are fun to divide and multiply
Making models will help when you try.
To show two-fourth of one-half is two-eighths
It might look like dividing a cake.

Sound Off: Let's multiply fractions
Sound Off: Let's divide fractions
