Topic/unit/core selection:	Geometry, shapes
Chant Title and Author:	Shapes Cadence By: Melissa King

Copy and Paste Chant Here:

We just know what we've been told,
 There are many shapes to behold.
 Circles, squares, and triangles,
 Rhombuses, hexagons, and rectangles.

Sound off! Shapes have sides.
 Sound off! Shapes have corners.
 Sound off! 1-2-3-4 2D!

We just know what we've been taught,
 Shapes around us count a lot.
 Spheres, cones, and cylinders,
 Cubes and rectangular prisms.

Sound off! Shapes have edges.
 Sound off! Shapes have vertices.
 Sound off! 1-2-3-4 3D!
